CONFERENCE PAPERS

HOST SCHOOL: SOUTHERN POLYTECHNIC STATE UNIVERSITY

DCA 2014 CONFERENCE PAPER BY AUTHORS' LAST NAME

Smaeil (Sam) Aceil, Southern Polytechnic State University,
• Safety Philosophy and Architectural Design Evolution of American ...

Ryadi Adityavarman, Kansas State University,
• Embodied Aesthetic Sensibility in Design Teaching.

Ed Akins, Southern Polytechnic State University,
• Covered / Uncovered: Site research within architecture studios

Faredah Mohsen alMurahhem, Umm alQura University, Saudi Arabia,
The Artist Inside Me.

Antonietta Angulo, Ball State University,
• Xpanding the Limits of VR Simulation.

Genevieve Baudoin, Kansas State University,
• Visualizing Tectonics: the Heavy and the Light.
• Axonometric: Strategies for the Capstone Studio Setting.

Stephen Belton, Lee-Su Huang, University of Florida,
• Digital Joinery: Representational Techniques in the Absence of Space.

Parantap Bhatt, Synth lab, Mississauga, Canada,
• Jivā: Computing the living.

Mohd Bilbeisi, Oklahoma State University,
• Illuminations: an investigation in the nature of graphic communication.

Aaron Paul Brakke, Universidad Piloto de Colombia,
• The Parametric Palimpsest of the Building Skin.

Jack Breen, TU Delft, The Netherlands,
• Towards Evocative, Thematic Design Dossiers.

Matthew Brehm, University of Idaho,
• Observational Drawing: Creating a Graphic Palimpsest of the Mind.

Mauro Buffa, GA Tech,
• Building Information Modeling - Case Study.

Simon Bussiere, Harry A. Eggink, Ball State University,
• Charrette Graphics: Old and New Schools of Quick Visual thinking.

Michael Carrol, Southern Polytechnic State University,
• Drawings for Thinking/Working and Making.

Tilanka Chandrasekera, Oklahoma State U, So-Yeon Yoon, Cornell U,
• The effect of Virtual Reality and Augmented Reality in the Design.

M Chapin and J Partridge, Savannah College of Art & Design – Atlanta,
• What is Real? A Comparison of the Perception of Photos and

Michael Chisamore, University of Memphis,
• Representing Experience: Instantaneous and Continuous Perception.
• Drawing and Place-making: Exploring the Connection between

Ji Young Cho, Moon-Heum Cho, & Nadya Kozinet, Kent State University,
• Collaboration for visual oriented profession: A case study of an interior....

Susan Sung Eun Chung, So-Yeon Yoon, Cornell University,
• Designing for Creativity: Creative Places (Perception) versus Places

Jeffrey Collins and Athanassios Economou, GA Tech,
• 64 Wakefield: Tips on House Design Formalized.

Fobio Collonese, Sapienza University of Rome,
• "Unorthodox orthographies": projective deregulation for depicting time....

Rebecca O'Neal Dagg, Auburn University,
• Foodspace: Communicating Physical Traces and Spatial Constructs.
• un-earthing Eisenman: Deep Interiority and Present Absence in the

S Daich, S Yacine, Z Nouredine, Science and Technology, Biskra, Algeria,
• Simulation and optimisation of the light shelf system in hot and arid zones

Jon Daniel Davey, Southern Illinois University,
• Tornado's, Treehouses and the Tropics: The Embodied Cognition of....

Jim Dawkins, The Florida State University,
• Student Sketching Viewed Through the Framework of Expertise Theory:

Lohren Deeg and Rochelle Jansing, Ball State University,
• An Iterative Palimpsest: Testing algorithms as a vehicle for new complexities.

Denis Derycke, Université Libre de Bruxelles (ULB) – Belgium,
• Education in Architectural Analysis through Hybrid Graphical Means:

Danilo Di Mascio, G. d'Annunzio University, Chieti-Pescara, Italy,
• Investigating a Narrative architecture: The Mackintosh's Glasgow School of Art.

Wei Dong, University of Wisconsin – Madison
• Sketch: Power Tool for a Rapidly Changing Paradigm of Design....

Brian Dougan, American University of Sharjah, United Arab Emirates,
• forward ever_backward never avoiding hesitance to foster confidence.

Bronne Dytoc, Southern Polytechnic State University,
• Learning Solar Geometry by Drawing and Modeling.

Housseem Eddine MNEJJA, Temy TIDAFI, Université de Montréal,
• Architectural knowledge management and digital tools: a step for a

Michael Everts, Montana State University,
• Inductive Programming: Designing Activities and Space with 4D

Ameen Farooq, Southern Polytechnic State University,
• Case-base reasoning and Design Communication in Foundation Studios.

David Fox, University of Tennessee, Knoxville,
• Seeing to Begin.
• Time-less Time.

Margaret Fletcher, Auburn University,
• Word | Image.

Tim Frank, Mississippi State University,
• Slowing Down 'High-Speed' Digital Drawing Tools.

P Gomez, M Swarts, A Pramanik, P Soza, JShaw, GA Tech.
• Campus Landscape Information Model: Towards a Quantitative and.....

Michael Gonzales & Meg Jackson, University of Houston,
• Pattern Literacy.

J Goulette and S Marques, École Nationale Supérieure d'Architecture (ENSA) de Toulouse, France,
• Digital Palimpsest in Parametric Design Environment: A Pedagogical Experiment.

Onur Yuce Gun, Massachusetts Institute of Technology,
• Hybrid Palimpsest: Drawing with Computation and Visual Calculation.

Dustin Headley, K-State University,
• Rule-Based Palimpsests.

Rebecca Heavner, University of Colorado, Denver,
• My Body: My Temple, an Augmented Reality Design Process.

Allison Hennie, University of Memphis,
• Exploring Architectural Grammar.

Richard Hoag, David Smit, Kansas State University,
• Making Multimodal Arguments: Strategies for Matching Text and Image.

Jeanne Homer, Oklahoma State University,
• Revit as a Creative Medium?

Lisa Huang, University of Florida,
• Interrogating Spatial Perceptions.

Amy Huber, Florida State University,
• Embracing the pictorial turn: Time-based explorations in communica...

Sumaya Islam, American International University-Bangladesh,
• Language of Wall in Urban Dhaka.
• Idiom of Music in Visual Art: A Proposition Base Experiment.

Eric Ingler, University of Cincinnati,
• Drawing Formal Massing Studies as *archiMedia* in AFConline

Meg Jackson, University of Houston,
• The Potential of Drawing as Performance.

Meg Jackson & Michael Gonzales, University of Houston,
• Collage as a Method of Analysis and Investigation.

Timothy P. Johnson, Penn State,
• Beyond Photo-realism: The Art and Science of Digital Rendering with Vue.

Aaron Jones, Lawrence Technological University,
• The Implications of Digital Media on Contemporary Architectural Practice.

Kathe Julin, University of Wisconsin – Stevens Point,
• Travel in Dialogue – Sketch Journals and the Internet.

Zuzanna Karczewska, Montana State University,
• Place and Its Discovery Through Embodied Representation.

Robert Krikac, Dana Vaux, Kathleen Ryan, Washington State University,
• Perspective as a Method of Engaging Critical Thinking.

Joern Langhorst, University of Colorado Denver,
• Lost in Translation or Mediating the Medium: Axioms for New Visual...

Amanda Lee Krueger, Florida State University,
• Exploring Safe Haitian Orphanage Design: Trace Observations as Palimpsests.

Dave Lee, Clemson University,
• Computation and Composition

A Leifeste, K Pemberton, M Scara and J White, Clemson University,
• Laser Scanning the Aiken-Rhett Historic Parlors for Multi-Modal

Thomas Lesko, Wentworth Institute of Technology,
• Architectural Perception and Communication: A drawing to design sequence.
• Creativity and Idea Generation for the Design Communication Process.

Mark McGlothlin, University of Florida,
• Smudges, Erasures and the Impermanence of Line.

Wang Li, Mingxue Huang, Jin Feng, Lawrence Technological University,
• Generate Spatial Form from Visualization and Analysis.

Jiang Lu, Eastern Michigan University,
• Helping students to regain the sense of space and scale in 3D visuali...

Mi McGlynn, Kansas State U/M Stellingwerff, TU Delft, The Netherlands,
• The sailor, his anchor, and the beacons: Teaching distinct notions of...

Pavan Miadati and Jon A Preston, Southern Polytechnic State University,
• 3D Simulation Game for Concrete Formwork.

P Miadati and M J Sathick, Southern Polytechnic State University,
• Smart Lab Using BIM and QR Code.

Román Montoto, University of Idaho,
• FaceSpace: Social Media's Influence on Public Art & Design.

Darby Morris, University of Michigan at Ann Arbor,
• Bridging the Gap: Achieving a Better Understanding of Architectural .

Elizabeth Pober, University of Oklahoma,
• Changing Scales: Spatial Design Visualization and Experiential

J Partridge and M Chapin, Savannah College of Art & Design – Atlanta
• Impacts of Photo-realistic Renderings on the Design Process.

B. Piga, E. Morello, V. Signorelli, Politecnico di Milano, Italy
• The urban model as the hub towards the sustainable university campus.

Elisabeth van Overbeeke, University of Waterloo, Canada
• Atlas': Deconstructing the digital mapping interface.

Rashidah Ab. Rahman, Universiti Teknologi MARA (UiTM), Malaysia,
• Nature to Architecture: from literal representation to abstract derivation.

Habibur Rahman, Claflin University,
• A 3D Virtual Art Museum to Showcase Prominent and Promising Artists'.

M Rahmani, C Wu, G Rosenthal, W Yan, Texas A&M University,
• A Method for Accurate Head-coupled Perspective in Real-time

Rhett Russo, New Jersey Institute of Technology,
• Drawing Objects and the Object of Drawing.

Murat Şahin, Özyeğin University, İstanbul, Turkey
• Development of an Introductory Course in an Architecture Program.

Lisa Sauv , University of Michigan,
• Producing Erasure.

Mark Schimmenti, University of Tennessee, Knoxville,
• The Transformation of Urban Fabric in Relation to Political Agendas.

Arief Setiawan, Southern Polytechnic State university,
• On Process Drawings: studying sketches of Mario Botta.
• On Translations: notes on the use of drawings and models in the.....

Alyson Silva, University of Florida
• Urbaninguistics: Creation of the City Codex.

R Snyder, Bentley Systems, M O'Bryan, University of Kentucky, and
Hugo Mulder, IT University Copenhagen,
• Focus Events in Spatial Media.

Henry E. Sorenson, Jr., Montana State University,
• Ticked in Tecolotla—Image and Story.

Jerry L. Stivers, Oklahoma State University,
• Drawing from Experience: The Value of Study Abroad to Design.

Stephen Temple, University of Texas San Antonio,
• A Logic of Learning to Draw.

L Treyer, A Koltsova, E Tapias, Information Architecture, ETH Zurich,
• Communicating Urban Design Knowledge With Animations.

Carrie Vielle, Washington State University,
• Immersive Installation Communicates the Design Drawing.

Bradley Walters , University of Florida,
• Here be Dragons: On the Value of Incompleteness in Drawing.

Peili Wang, Savannah College of Art and Design-Atlanta,
• Freehand Visual Presentation - Ink Watercolor.

Christopher Welty, Southern Polytechnic State University,
• Archi-gaming, Techniques of Representation.

M Wójcik, J Strumillo, The Oslo School of Architecture and Design, Norway,
• BackToBack An analogue-digital convergence for production of solid.....

S Yacine, D Safa, Z Nouredine, Dept of Architecture, Science and Technology, Biskra, Algeria,
• Development and validation of Tool for the design of day lighting indoor space.
